Optical fibres and hybrids (optical + electrical) in harsh environment

STANDARDS

Producto ABS 0963-003 LF

- High chemical resistance: fluids, oils, skydrol, detergents, solvents
- High mechanical resistance: high tensile strength, resistance to torsion and crush
- Flame retardant
- Operating temperature up to 125°C

CHARACTERISTICS

Características de uso

Temperatura máxima operativa

125 °C

Temperatura máxima operativa
125 °C
